Our hallmark program! We’ve been offering this 5-night schedule of inside the beltway small-group briefings and cultural highlights for three decades. We visit think tanks, embassies, enjoy keynote speakers, allow time on the Hill, and include a docent-led visit to a museum. Many participants return year-after-year, and as a nationally recognized travel program members come from across the country, affording great discussion amongst the group. Always cited as a highlight, is the opportunity to engage with speakers since our group size is limited to just 32 participants.

What past participants have said about INSIDE WASHINGTON:

“This is the best Inside Washington yet and I’ve been going to every trip since 2010. I can’t think of a better way to learn about global affairs and the D.C. players than through this program. A unique opportunity!”
Bill Korstad, FL

“I want to thank you again for the superb program and speakers in Washington, DC. Of all of the exotic group trips I’ve participated in over the last few years, this was the most illuminating, constructive and energizing of them all by a long shot.”
Jo-ann Cooper, SC
