

# How to Make your Jr. Model UN Video Speech

---

WORLD AFFAIRS COUNCIL  
*of Philadelphia*

# Step by Step!

- Write a 2-3 minute opening speech on your topic from the perspective of your assigned country.

# What should be in your speech?

- Your speech should include:
  - Information (facts and statistics) regarding your assigned topic
  - How your assigned topic impacts your assigned country (or the world)
  - Why it's important for world leaders to act quickly to solve the issue
  - Offer possible solutions to the issue

# Tips for your video

- Remember to use the most relevant information from your research in your video.
- Follow the writing process – brainstorm, plan, draft, revise, edit, and produce a final product.
- Be clear and concise in your video.

# Tips for your video

- Speak slowly and clearly. Make sure to enunciate your words.
- Have other people screen your video before you submit it.
- Be creative. You can use pictures and voice over.

# Tips for your Video

- Make sure you follow all of the rules and guidelines, including length, and content
- List all of the sources you used in the end credits
- Have fun and show off your public speaking skills!

# When you film your video...

- Make sure you have a good quality camera. You can use an Iphone, android, ipad, or digital camera.
- Dress to impress!
- Make sure you have good lighting. Film during the day and in a well lit room.
- If you use a phone, make sure you hold it horizontally.
