Floriade Expo 2022
World’s largest horticultural expo, held once every 10 years!

Enjoy a once-in-a-lifetime opportunity to see flora and horticulture from countries around the world. With a theme of “Growing Green Cities,” Floriade Expo 2022 inspires visions of a greener tomorrow—showcasing global innovations for a more sustainable, healthier and happier future. Explore Floriade Expo 2022’s uniquely created Arboretum—a living library of more than 3,000 tree, plant and flower species alphabetically arranged by botanic name and filled with spectacular colors and scents. Marvel at nearly 2,000 trees on the expo grounds that have been sent from growers across the Netherlands. Enjoy an optional cable car ride that showcases the skyline of the growing “green city” of Almere and the breathtaking venues of Floriade Park.

Amsterdam, the Netherlands
In Amsterdam, one of Europe’s most enchanting cities, canals weave between handsome merchant houses, charming houseboats and world-renowned museums and galleries.

Cultural Enrichment:
A private cruise through the UNESCO-designated canal district offers a unique look at the integral role waterways have played in the culture of this city, which began as a simple fishing village and flourished into the 17th century’s foremost economic center. Stroll through a vivid tableau of blooming tulips as far as the eye can see in the beloved Keukenhof Gardens.

Nijmegen
A vibrant university town layered with history, attractive Nijmegen was originally settled by the Romans in the first century B.C. Explore an impressive array of pristinely preserved buildings, including the turreted 15th-century town hall and the 17th-century, Renaissance-style De Waagh. Overlooking the River Waal, Valkhof Hill features the captivating Barbarossa Ruins and ninth-century Carolingian chapel.

Cultural Enrichment:
Meet and engage with locals during the specially arranged River Life® Forum.

Kröller-Müller Museum
Among the heathlands and dunes of the Netherlands’ largest national park, De Hoge Veluwe, is the remarkable Kröller-Müller Museum, lauded for its collection of 90 Vincent van Gogh paintings and 180 of his drawings.

Cultural Enrichment:
See works by Pablo Picasso, Claude Monet, Pierre-Auguste Renoir and Édouard Manet, as well as captivating late-19th to 21st-century pieces by Auguste Rodin, Henry Moore and Jean Dubuffet, wreathed in the idyllic woodland scenery of the 60-acre sculpture garden.

Kinderdijk
Designated a national monument and a UNESCO World Heritage site, Kinderdijk is home to Holland’s greatest concentration of old windmills. Here, little has changed since the mid-18th century, when 19 wooden windmills were erected side by side to drain the Alblasserwaard, one of many regions in the Netherlands below sea level. Though no longer used to monitor water levels, the windmills are still one of Holland’s most picturesque sights and represent exceptional examples of the achievements of 18th-century Dutch engineering.
Cultural Enrichment: Excursion to the largest project of the Delta Works, hailed as one of the Seven Wonders of the Modern World by the American Society of Civil Engineers.

Ghent, Belgium
The authentic city of Ghent is replete with medieval and classical architecture. The UNESCO-designated Belfry of Ghent serves as a historical testament to the winning of civil liberties across the region. Admire the elegant windows and fanciful steeples of St. Bavo’s Cathedral, a Gothic masterpiece and the city’s enduring symbol with origins that date from the 10th century. Proceed to the chapel to see the Van Eyck brothers’ magnificent altarpiece Adoration of the Mystic Lamb—this polyptych is the most frequently stolen artwork of all time; in fact, one panel is still missing.

Bruges
Built around a double ring of charming canals connected by arched footbridges and renowned for its handcrafted chocolates, fairy-tale Bruges is a UNESCO World Heritage site of virtually untouched medieval architecture, including landmark Belfry of Belgium. Enjoy a walking tour from the Market Square to the magnificent Gothic-style Chapel of the Holy Blood to see the richly decorated stone guildhalls and opulent churches.

Discover the Netherlands’ oldest city, Nijmegen, with its historical De Waagh, still a central gathering place.

Antwerp
The alluring Old Town of Antwerp preserves its distinct Flemish culture in a labyrinth of squares and cobbled streets that are studded with museums, mansions and churches—all leading to the vibrant Grote Markt, where the town hall’s historical belfry, part of the Belfries of Belgium UNESCO World Heritage site, still stands tall. Visit the Cathedral of Our Lady—with its UNESCO-inscribed belfry, the tallest church tower in Belgium—which preserves the 17th-century Baroque masterpieces of the city’s native son, Peter Paul Rubens, including paintings of The Assumption of the Virgin Mary, The Raising of the Cross and The Descent from the Cross.

Delft
Visit canal-ringed Delft to watch traditional craftspeople create iconic “Delft Blue” porcelain.
Cultural Enrichment: Excursion to magnificent Keukenhof Gardens, known as the “Garden of Europe,” during the best time of year to see the colorful display of spring flowers in bloom.

Almere for Floriade
Experience the world’s largest horticultural exhibition, held only once a decade—Floriade Expo 2022. Nations from around the world will gather in Almere, the youngest city in the Netherlands, to share examples of sustainable architecture and flowers, plants and trees unique to their respective countries.
Walk through an area as big as 16 soccer fields and enjoy a spectrum of colors, scents, flavors and international exhibitions with events that range from cultural showcases to art installations. Located in the province of Flavoland, Almere is also home to a stunning coastline and abundant flora and fauna.
Keukenhof Gardens

Affectionately known around the world as the “Garden of Europe” for its paramount beauty, Keukenhof, “kitchen garden,” is a brilliant and breathtaking tapestry of color and fragrance when its over 1,000 floral varieties reach full bloom between mid April and early May. Meticulously landscaped with tranquil ponds, placid streams and winding, tree-shaded paths, this vibrantly hued oasis was designed in 1857 by Jan David Zocher of Vondelpark fame. The gardens of Keukenhof originally formed part of the Teylingen Castle Estate, where the early-15th-century Countess Jacoba of Bavaria added an herb and vegetable garden.
