# 2023 TRIPS

## DEAR COUNCIL TRAVELERS AND FRIENDS,

Welcome to our collection of 2023 lifelong learning travel opportunities. With nearly 40 different itineraries from which to choose, along with 45 years of providing educational compelling programs, we invite you to get ready to pack your bags!

Tours are accompanied by experts on global political issues drawn from our own Council leadership, or from fields such as diplomacy, journalism or academia. Our guides receive outstanding reviews; local experts give behind-the-scenes views and briefings; and meet-the-people experiences turn our travelers into citizen diplomats.

Whether you are looking to explore lands of breathtaking natural beauty such as Iceland, visit with profoundly hospitable people in Vietnam, discover a castle in Switzerland with your family, or experience private U.S. Embassy discussions, the Council is your loyal travel partner.

Ready for a life-changing journey? Then call today to **Travel the World!**

Sincerely,  
Shoshana Altrichter & Corey Stubanas
