WESTERN EUROPEAN PASSAGE

A Voyage from Amsterdam to Lisbon

Aboard the New Expedition Cruise Ship *Diana*

August 6 - 17, 2023

With Featured Guest Lecturer Ambassador Elisabeth Millard

Dear Travelers,

The Atlantic ports of Western Europe have long served to connect the continent with the wider world, serving as bases for local and global trade, discovery, and conquest, and producing great wealth in the process. On this voyage, we discover some of the finest artistic and cultural fruits of that wealth as we sail the length of the coast from the North Sea to Iberia.

Beginning in Amsterdam, we sail southward to discover a remarkable array of sites that serve as testaments to the legacy of European civilization, spanning centuries from the American Cemetery and Memorial overlooking the beaches of Normandy to the medieval castles and cathedrals of Portugal and Spain. Among the places we visit are three UNESCO World Heritage Sites—the storied abbey/fortress of Mont-St.-Michel; the great Christian pilgrimage site of Santiago de Compostela; and Coimbra University in Portugal, one of the oldest in Europe. To these justly famous monuments, we add extraordinary collections of art in Amsterdam and Bruges, the picturesque fishing towns of Honfleur and Concarneau, and Frank Gehry's Guggenheim Museum in Bilbao, almost certainly destined to become another UNESCO site.

Accompanying us throughout the voyage will be retired Ambassador Elisabeth Millard, who will share her experience and insights gained through 26 years in the Foreign Service. During excursions ashore, we will be accompanied by expert local guides and by members of our onboard team, who will also enrich our understanding through lectures and discussions aboard.

The vessel for this extraordinary journey will be the Swan Hellenic *Diana*, a state-of-the-art, new-generation expedition cruise ship, currently under construction in Finland and due to launch in early 2023. Accommodating only 192 guests in beautifully appointed staterooms and balcony suites, *Diana* will feature several lounges, a restaurant, outdoor cafe, spa, library and beauty salon, and will be equipped with the latest safety and environmentally-friendly technology.

We hope you will be able to join us for this truly once-in-a-lifetime voyage, as we explore the eastern shores of the Atlantic Ocean on this compelling Western European Passage.

Sincerely,

Shoshana Altrichter

Currently under construction in Finland and launching in early March 2023, Swan Hellenic's *Diana* is a new-generation expedition cruise ship. Although at 12,100 tons the ship is large enough to accommodate more than 350 passengers, *Diana* will accommodate a maximum of 192 guests in 96 spacious staterooms and balcony suites. The low guest density results in one of the most generous indoor and outdoor space-to-guest ratios among cruise ships.

Featuring the latest advances in technology and engineering, *Diana* is among the world's first environmentally-responsible ships. Equipped with hybrid engines, a system of powerful batteries, and a unique water filtration system, *Diana* leaves a minimal footprint. For cruising

in Polar regions, the ship meets the stringent requirements of the new Polar Code with its high PC5 Category A ice-strengthened hull and other advanced features. A computer-controlled Dynamic Positioning System allows the ship to maintain position without anchoring. Operated by a complement of 135 experienced European officers and international crew members, *Diana* will carry a fleet of Zodiacs, versatile landing boats, and kayaks. Powerful stabilizers provide a smooth ride.

Diana's interior spaces exude sophisticated elegance, with most rooms opening to panoramic views of the sea. All staterooms and suites face outside and are equipped with private facilities, climate control, TV, Wi-Fi and USB connections

and other amenities. Of the ship's 96 staterooms, 76 have balconies. Public areas include a spacious observation lounge equipped with state-of-the-art facilities for lectures and presentations; a club lounge; a restaurant that accommodates all guests at one seating; an outdoor café/bar that surrounds the heated swimming pool; a wellness area with gym, spa, and sauna with an adjoining outdoor jacuzzi; library; beauty salon; and an infirmary that is attended by a full-time doctor and nurse. The ship also features expansive open-deck areas. Two elevators connect all decks. Attentive service is provided on a 24-hour basis. The outstanding cuisine is complemented by fine wines at lunch and dinner.

DEPART THE UNITED STATES

Monday, August 7
AMSTERDAM, THE NETHERLANDS

Arrive in Amsterdam and transfer to the deluxe hotel *Hilton Amsterdam* (or similar). This evening, gather with fellow travelers for a welcome dinner. (D)

Tuesday, August 8
AMSTERDAM/EMBARKATION
Amsterdam is one of the great capitals of Europe, known for its picturesque canals and wealth of museums. After breakfast at the hotel, enjoy a tour of this marvelous city followed by a visit to the famed Rijksmuseum with its unrivaled collection of Dutch Masters. Late in the afternoon, transfer to the pier to embark *Diana* and set sail. (B, D)

Wednesday, August 9
ZEEBRUGGE/BRUGES, BELGIUM
Bruges is a perfectly preserved medieval town known for its charming canals, magnificent architecture, and exquisite art. A walking tour

through narrow cobblestone streets takes us to the marketplace, Belfry Tower, Town Hall and the Chapel of the Holy Blood. Explore City Hall's main room, a masterpiece of Gothic design with late-19th-century murals and a polychrome vault. Also visit the Church of Our Lady, which houses Michelangelo's sculpture of *Madonna with Child*. (B,L,D)

Thursday, August 10
HONFLEUR, FRANCE
Honfleur sits on the banks of the estuary where the Seine River meets the English Channel. Its Old Harbor is extraordinarily picturesque and has been a favored subject of countless artists, including, perhaps most famously, Claude Monet. It is also our gateway to the beaches of Normandy and to Colleville-sur-Mer, home to the World War II Normandy American Cemetery and Memorial. The majority of the nearly 10,000 American soldiers killed at Omaha Beach are buried in this 170-acre cemetery on land given to the United States by France as a token of gratitude. (B,L,D)

Friday, August 11
SAINT-MALO/MONT-ST.-MICHEL
This morning we arrive at the medieval city of Saint-Malo, a town that is fiercely proud of its seafaring traditions and was the lifelong home

of the explorer, Jacques Cartier. It is also our gateway to the UNESCO World Heritage site of Mont-Saint-Michel. Rising abruptly from the flat Dol marshes is a great granite cone with a town, fortress and monastery clinging to its steep sides. Crowned by the 11th century abbey church, Mont-St.-Michel is one of the architectural marvels of Western Europe. After lunch aboard ship, enjoy an afternoon tour of Saint-Malo, followed by time at leisure to walk along the town's walls and explore the little shops that line the quaint streets. (B,L,D)

Saturday, August 12
CONCARNEAU
Concarneau on the southern coast of Brittany is best known for its Ville Close (Walled City), built on a small island just offshore. This medieval fortification remains the heart of Concarneau, with 15th- and 16th-century half-timbered, gabled buildings lining the cobblestoned streets within the walls. Rue Vauban, the main street, leads to the fishing port—the leading tuna port in Europe—where more than 200 boats line the docks in front of the fish market. Afternoon at sea aboard *Diana*. (B,L,D)

Sunday, August 13
BILBAO, SPAIN
Bilbao, capital of the Spanish Basque country, is

one of the most avant-garde cities in Europe. This morning, visit Frank Gehry's Guggenheim Museum, opened in 1997. Gehry's expressionistic design and technical use of titanium, glass, and limestone make this structure one of the most important buildings of the late 20th century. After lunch aboard, we will visit the Museum of Fine Arts and leisurely explore the old quarter of Bilbao, called Casco Viejo. The Museum of Fine Arts contains a superlative collection of work, from the old masters, such as Goya and Zurbarán, to the modern work of artists, such as Bacon and Gauguin. It's considered to have one of the most important collections of art in Spain. (B,L,D)

Monday, August 14

GIJÓN/OVIEDO

From the port of Gijón, in Spain's province of Asturias, drive to nearby Oviedo, the capital of the province and one of the most attractive and historic cities in northern Spain. Enclosed by sections of the medieval walls and centered on the Cathedral, the Old Quarter of the city, first built in the 9th century, is a maze of ancient streets and squares lined with fine churches and other medieval buildings designed in the characteristic Asturian style of architecture. Close to the city, we will also visit the church of Santa María del Naranco, an architectural gem situated in a lovely wooded slope, built originally as a palace. (B,L,D)

Tuesday, August 15

VIGO/SANTIAGO DE COMPOSTELA/ FINISTERRE

Travel today to Santiago de Compostela, one of the most beautiful and historic medieval cities in Spain, a UNESCO World Heritage site, and the third most important Christian pilgrimage site in the world, after Jerusalem and Rome. Wednesday, August 16

FIGUEIRA DA FOZ/COIMBRA/CONIMBRIGA, PORTUGAL

From Figueira da Foz, travel to Coimbra, famous for its university, the oldest in Portugal and one of the oldest in Europe, a UNESCO World Heritage Site. We tour the campus and visit Coimbra's Old Town, which features a splendid Romanesque Cathedral.
