INSIDE PHILADELPHIA

September 22 - 26, 2024

Overview

Our Inside Philadelphia tour is an in-depth, exclusive look into the behind-the-scenes world of international politics, foreign affairs, and diplomacy in the bustling city of Philadelphia, PA. We secure the most knowledgeable speakers on a wide variety of international affairs topics and find the most interesting venues to make sure when the tour is completed you will be a more informed global citizen. We will visit think tanks, consulates, government bodies, and museums where you will be able to ask questions and participate in intellectual discourse on what's going on in the world today.
